PROBE OF CALL GIRL'S CHARGES DELAYED

Burglars Get 4 Grand Haul Here

With ridiculous ease, burglars lifted nearly \$4000 in cash and property from two Daly City business places over the weekend.

Smashing a hole in a side wall with a sledge hammer, the culprits entered the Shoe Fair, 2049 Junipero Serra boulevard, calmly opened a draw, took out \$1963 in cash and checks and made their getaway.

The theft happened sometime between 7 p.m. Sunday and Monday morning, according to proprietor Monte Ambinder, who left the premises shortly after 6:30 p.m. Sunday.

Ambinder said he was in a hurry

and instead of putting the money in the safe, merely deposited it in a drawer, which was left unlocked.

The place wasn't even ransacked, according to police.

This marked the second time in nine months that the establishment has been broken into.

On the last occasion, burglars entered through the skylight, but were frightened off by a janitor before taking anything.

Officers said there might be some connection between the two jobs, but pointed out this was doubtful since the methods of operation varied.

Earlier last weekend burglars entered the Carl Haas Buick company, 7070 Mission, through a window at the rear of the building and took an estimated \$1700 in sanding, welding and finishing tools.

Police said entrance was gained by knocking out boards that had been placed over a broken window.

Time of the break-in was placed at sometime Saturday night.

Although inspector Dave Johnstone, officer assigned to the case, is without a clue on the Shoe Fair job, he said latent foot prints were found at the scene of the Haas burglary.

Paula Winters Confined To Sanitarium; Chief Savage To Question Her Later

Investigation of charges made against a member of the Broadmoor police department by Paula Winters, 20-year-old call girl, ended abruptly yesterday (Thursday) as the girl, a key figure in the recent clean-up of San Francisco dope and vice rackets was confined to a sanitarium for treatment of narcotic addiction.

The girl, in a lurid testimony given this week, said that she had been raped in the Broadmoor police station by a Broadmoor police

officer. No time of the alleged incident was established by the girl, other than "it happened two or three years ago."

Meets With Gaffey

Broadmoor Police Chief Ray Savage met with San Francisco police chief Michael Gaffey yesterday in an effort to establish the date the alleged rape took place. Savage was accompanied by Ray Corso, chairman of the Broadmoor police commission.

Gaffey showed Savage a transcript of the girl's testimony concerning the rape incident. The transcript stated, "It was my own fault. I was so drunk. There was no transportation at night when I worked in the drive-in (she was employed at a Junipero Serra boulevard establishment). A policeman was driving me home every night."

"I was drinking. I was so terribly drunk I couldn't walk. He said 'We have to go by the police station for a few things.'"

"Was Not Willing"

"There was no one at the Broadmoor station. He took me in. I will say he raped me because I was not willing."

"I don't know his name, but I know he is on the force...there are only four or five on the force."

Savage sought to find the exact time the alleged rape took place so regular and reserve officers on duty at that time could be questioned.

The Broadmoor chief questioned the four regular officers and the reserves Wednesday. All denied in full any part or knowledge in the incident.

Will Question Girl

Savage has secured permission of Gaffey to question the girl privately on her return from the sanitarium in three or four weeks.

"I fully intend to get to the bottom of this," Savage said.

At the time when the incident was supposed to have taken place Paul Smith was chief of the Broadmoor force. Savage, along with Don Tannehill, were the only two full-time officers. There were, however, approximately 20 reserve officers who had uniforms and some times worked the night shift. The girl described the alleged assailant only as "a man in uniform."

"If the charges are founded," Savage said, "it could have been any one of 22 men."

The Broadmoor police commission, besieged by reporters and curious onlookers, met Wednesday night but came up with "nothing concrete," according to Joseph Belli Jr., commission secretary.

Implicates DC Man

In addition to the charges loosed against the Broadmoor police department, the girl implicated a "Daly City" man as the cause of her fall into a life of dope addiction and prostitution.

She said he molested her when she was placed at the age of 15

JEFF HI BOARD LETS CONTRACT FOR BLEACHERS

Contract for steel-deck type bleachers and tables and chairs for the new cafeteria were let Monday night by the Jefferson Union High school board of trustees.

Pittsburgh-Des Moines Steel Co. was low bidder on the bleachers with a price of \$27,980.

The bleachers, to replace condemned wooden bleachers at the high school football field, will be fabricated in the east and erected here sometime this summer, according to Stanford Hannah, superintendent of the district.

The steel seats will come in 18-foot sections, he said.

Brunswick-Balke-Collender Co. was low bidder on supplying 50 tables and 350 chairs for the new Jefferson cafeteria.

Their figure was \$5902.50. The chairs and tables are constructed with steel legs and plastic tops.

PETE JENSEN WINS ZONE DIVISION OF SPEAKING CONTEST

Speaking on "What the Constitution of the United States Means to Me," Jeff high student Peter Jensen won the zone division of the Lions club national speaking contest held Tuesday at South San Francisco Lions club luncheon.

Also speaking at the luncheon meeting was Don Weiss of Jefferson.

Jensen will go into the region competition Wednesday noon at the Villa Chartier in San Mateo. Eunice Seaton, instructor at the local high school, is acting as advisor for Jensen.

THE TOWN RECORD

By MONTE DAYTON

Stormy supervisor THOMAS J. CALLAN SR. of Colma, who's also a board member on the N. S. M. county Sanitation district, appeared last week for groundbreaking ceremonies at the new sewage treatment plant site off the Alameda.

After posing for the traditional shovel-in-hand shot for photos, Callan said resolutely, "I'm taking this shovel home. I want to be sure and have one when they hold the dedication for the plant."

And take it home he did.

Call of the wild: A. F. STEWART, contractor for the new Colma school, center of recent hubbub over the long delay in finishing the job, is a man you can't get a hold of just by picking up the phone and dialing a number.

Bonding company expeditors have sought Stewart to get his approval for them to take over the job (the bonding companies guaranteed the completion of the school).

It was discovered last week that Stewart is speculating on some sort of construction job in the Mexican hinterlands.

To reach him, they'd have to phone the closest city in Mexico; then a wire would have to be sent to a remote outpost; from there a native bushwacker would have to be sent into the jungle as a runner to carry the message to Stewart.

They decided to proceed without his approval.

MAE HAALAND, "chief cook and the bottle washer" at the PETER MARKOVICH insurance office, has been away from her work recently recovering from an operation.

Subbing for her is VIRGINIA GANNON, secretary to the city attorney.

Next in line for the mayoralty of Colma, the singular city where nobody has to spend money for election campaigning because nobody runs against the incumbents, is RAY OTTOBONI.

He says he doesn't know yet whether he'll take the job, though. Ray's too busy lining up the front head on a pistol with the black circle on a target. Being one of the foremost pistol marksmen in

DALY CITY CHARGED IN \$30,000 DAMAGE SUIT

Twelve Frankfort street residents testified in Superior Court this week against the city of Daly City and three other defendants, charging gross negligence in the cave-in on Frankfort street in 1952.

The case went into its fifth day today (Friday) in Judge Louis B. Dematteis' court, as the plaintiffs seek to gain damages of \$30,000 from the defendants.

In January, 1952, a chunk of earth from the San Bruno mountains in back of residences on the 100 block of Frankfort street fell against the homes, causing the homeowners "personal injury because of loss of comfort and sleep," the suit said.

Represented by Attorney John Putkey, the plaintiffs seek to prove negligence on the part of Daly City, P. Martire, owner of the property in back of the homes, Fay Construction company, contractor, and Farris company, subcontractor, on road work done in the Frankfort area.

In examination of the plaintiffs

the past five days, Putkey has attempted to prove that the Fay and Farris companies piled a large amount of dirt on the Martire property, which eventually eroded, changing the natural watershed and causing the earth to cave-in. Fay and Farris were awarded contract for street work in the area, after Frankfort residents had asked the city to form a street assessment district.

Representing the city is Attorney Ralph Sullivan of San Mateo. Each of the other three defendants have their own attorneys. The defense hadn't testified yesterday (Thursday) at press time.

The trial was expected to extend well into next week.

Listed as plaintiffs in the joint suit are Mr. and Mrs. Raymond Taber, Mr. and Mrs. George Schumleffer, Mr. and Mrs. William Dale, Mr. and Mrs. Norman Arnold, Mr. and Mrs. John Morello, and Mr. and Mrs. Sabin Eastman.

TRIO OF DC COUNCIL CANDIDATES TIE UP

The Daly City political scene shifted this week as three previously announced independent candidates decided to form a team.

City Council Candidates Michael De Bernardi, Del Wilson, and John B. Drye, previously running alone, revealed this week that they would run on a single ticket, basing their campaign on the slogan "It's Time for A Change."

This means that going into the election on April 13, there will be two teams of three candidates each, and two independents.

The three incumbent councilmen, A. J. Gaggero, Paul Green and James Kennedy, are running on a single platform of "progress."

This leaves only Sanford G. Vickers and Owen D. English as independents in the race.

BONDING COMPANY TO FINISH COLMA SCHOOL

In order to finish up the long-delayed Colma school, bonding expeditor Harrison Williams was this week ordered to take over the work for his firm, the Pacific Mutual Insurance company, holders of the performance bond on the job.

A. F. Stewart Construction Co. is contractor for the \$677,678 job, which is still uncompleted nearly six months behind schedule.

Earlier the bonding company had attempted to locate and secure Stewart's permission to take over the project. They have not been able to contact the contractor, however, and decided this week to go ahead and wind-up the job.

The insurance company will probably maintain the same subcontractors, but will have to bring in someone to do the grading, as Stewart was handling this part of the work.

At present, cabinets must still be installed, landscaping done and tile laid.

A total of 618 students are at-

tending school on double sessions until time when the building is completed and can accommodate full sessions.

"At the present rate of work it's anybody's guess as to how long it would take to finish the school," said H. Z. Weibel, district superintendent.

He indicated, however, that the bonding company would probably have the building completed by May 1.

Those placed on probation by the department were: Alan Robert Drago, 619 F street, Colma; Jack Robert Hacker, 38 Second avenue, apt. 2; and Bruce Edward Singer, 728 Washington street, Colma.

Convicted of vehicle code violation 502, driving while intoxicated, with no suspension recommended by the court, was Donald Schott, 81 Park Plaza drive.

Permanent reinstatements were granted to: George John Disperati, Rt. 1, Box 205, Colma; John Hebler, 4 Woodrow street; Elbi Paul Lanza, Box 505, Colma; Harry Leggett, 241 Flournoy street; Louis James Rizzo, Box 201 Reiner street, Colma; and Richard Alan Thacker, 160 Lynnewood drive.

O.L.P.H. To Hold Fashion Show Sun.

Cottons will predominate the O.L.P.H. Mother's Club Fashion show on Sunday, March 28, at the school auditorium, as members display the latest in spring and summer ensembles.

Fashions will be furnished by the Lass and Laddie Shop, Towne and Beach Togg Shoppe, and Westlake Fashions. Description of the ensembles, materials, and prices will be given by Mrs. Achille Liberti, who is known for her thorough and witty commentary.

Luncheon will be served and guests will be entertained by the "Cassulites." Door prizes, presented by the participating stores will be given to the lucky ticket holders.

For the first time at any O.L.P.H. fashion show, men are invited to attend, to view what the ladies will be wearing this season.

Proceeds from the show will be used for the school children. Parishioners and their friends are urged to attend. The Mother's Club guarantees an entertaining afternoon.

CARY MIDDLECOFF FIRST PRO ENTRY IN LINKS TOURNEY

Cary Middlecoff, the "golfing dentist," and one of the greatest golfers in the United States today, this week became the first pro entry in the coming \$10,000 San Francisco Open Invitational golf tournament, scheduled April 30, May 1-2, at the Lake Merced course in Daly City.

Middlecoff wired his acceptance to Bob Cardinal, general chairman of the S. F. Jr. Chamber of Commerce-sponsored event, yesterday.

Cardinal said: "Middlecoff is the first official pro entry, and we hope his name is just the beginning of a long list of golfing greats that will make this tournament the greatest ever held in the Bay Area."

"We are currently contacting many of the other top stars who will compete in the Las Vegas Tournament of Champions next month, and hope to receive additional acceptances shortly."

Cardinal also added that "boosted" ticket sales are going right along. The \$10 tickets, which include two \$5.50 season tickets, a special "booster" ribbon, and a listing in the official program, are on sale at Roos Bros., Stewart Chevrolet Co., S.F. Jr. Chamber of Commerce, Leopard Cafe, and Styles Furniture Co.

CAMP POLK, La. — Army M/Sgt. Jimmie S. Farras, whose wife, Helen, lives at 420 Irvington street, Daly City, Calif., will move to the Fort Bragg, N. C. maneuver area next month with the 37th Infantry Division for Exercise Flash Burn.

Farras, son of Mr. and Mrs. Steve Farras, 20 E. Worth street, Stockton, is first sergeant in Company E of the division's 145th Infantry Regiment stationed at Camp Polk, La. A veteran of service in Korea with the 3rd Infantry Division, he wears the Silver Star and Purple Heart.

County Clerk Urges Early Registration; Lists Local Officials

"Apparently hundreds of residents of the county eligible to register and vote at the June 8th Primary Election will be unable to do so unless steps are taken to become registered in the near future," commented County Clerk John A. Bruning.

The last day to register or correct your registration if you have moved, for the June Primary Election, is Thursday, April 15th. Registration qualifications are: citizenship; age 21 or over; residence one year in California and 90 days in San Mateo County prior to June 8, 1954.

In addition to the Election Registration Department in the Court House, Redwood City, over 150 Registration Deputies are conveniently located in all areas of the county to take voters' registrations. Those situated in this general area are as follows:

Questionnaires Go To 1665 In District

SURVEY SCHOOL NEEDS

In an attempt to find out how the average citizen feels about his school system, the Jefferson Elementary school district began sending out questionnaires this week to 1665 families.

H. Z. Weibel, district superintendent, said nearly two-thirds of the families had already responded to the questionnaires.

This marks the first time such a survey has been conducted in a Bay Area school, and the findings will undoubtedly have heavy influence on future district policy, Weibel added.

Fred Schweickhardt, director of education, is in charge of the survey. He said approximately 60 per cent of elementary district parents would be polled in the study.

Schweickhardt explained that selection of children to take home the questionnaires was done by a "table of random numbers," in order to secure a fair sampling of opinion.

In each of the larger schools, Crocker, Westlake, Woodrow Wilson, Jefferson, Colma and Garden Village, 200 questionnaires were distributed, 150 at General Pershing and 70 at Thornton.

Tabulating results of the survey is expected to be completed in three or four weeks, Schweickhardt said.

"The whole purpose of this survey is to determine accurately the thinking of parents in the district," Weibel said. "This survey is in no way an attempt to find why recent bond issues in other parts of the county have failed, as reported erroneously in other newspapers."

"The survey was in the planning stage long before the two bond issues came up for election," he said.

Probe Delayed On Call Girl's Charges

as a foster child in his house. Later, after she became a prostitute, he became one of her "tricks," or customers, she said.

The girl said she was married at 16 to escape living with her foster father, who is a respected local businessman and head of a family.

Blames Troubles

Paula said she blames much of her psychological troubles on the Daly City businessman who, according to her, molested her when she was 13 and again when she was 15.

Daly City police said the girl had been involved in scrapes with the law ever since she was 11 years old. "Since she was a child she's been in and out of the police station," Lt. Roy Beecher said.

Asked whether there is any foundation to the girl's charges, San Francisco District Attorney Thomas Lynch said, "I have no statement whatsoever to make concerning this girl's allegations."

Goods valued at \$2,014.17 were imported through the San Francisco Customs District in 1952 from West Germany.

"Only slightly more than three weeks remain in which to register for the June 8th Primary. Why delay—avoid waiting in line the last few days. Register today and be assured of your right to vote on June 8th," said Bruning.

WESTLAKE CUBS WILL MEET APTOS PACK 43

After being rained out Saturday in their scheduled contest against Broadmoor Pack 84, Westlake's Cub Pack 248 will face Aptos Pack 43 Saturday at Aptos Jr. High field No. 2, beginning at 10 a.m.

Coach Walter Dunan will probably start Jess Tambor on the mound, for the Westlakers, while Peter Dunan, or Clark Beerman will open, at backstop. Tambor won the Cubs' opening league game.

FIREMEN HUSTLE IN WESTLAKE SATURDAY

A false alarm and an overheated clothes drier kept Daly City firemen on the run in Westlake Saturday.

Saturday afternoon firemen were summoned by Pat Henry to 189 Crestwood drive apartments after occupants became alarmed at smoke coming from the drier room.

Firemen said only damage was to the drier and the adjacent wall which was scorched.

Later Saturday, at 10 p.m., three city engines were summoned to the Town & Country Market after someone pulled the alarm at Box 354.

The Aptos softball nine is managed by Rugger Ardizzone, former pitcher with the New York Yankees.

At present the Westlake Cubs have a 1-0 record in the national division of the West of Twin Peaks Cubs Softball league.

The cancelled game with Broadmoor will probably be played during the middle of the week at a date to be announced, Dunan announced.

Pantie Pilferer Hits Daly City Area Again

After nearly six months absence from the Daly City scene, thieves with a yen for lingerie returned here last weekend.

Jean Mance, 30, of 189 Crestwood drive, apt. 4, reported that she hung out her sheets, towels and unmentionables Saturday afternoon.

On Sunday she went out to bring in the wash. The towels and sheets were still there, but gone was a black nylon slip, a black bra, and white panties. In his haste to depart with the loot, the thief overlooked one pair of pants.

Police are investigating.

Broken Pipe Loosens Hill In Broadmoor

A Broadmoor home came narrowly close to being washed out Sunday when a five inch water pipe broke and sent several yards of dirt up to the back yard.

Broadmoor police were called to 613 Larchmont drive Sunday at 4 p.m. by the E. K. Sigars.

Breaking of the five-inch pipe, owned by Al Garibaldi, moved dirt down to the Sigars fence. Garibaldi was summoned and shut off the water, averting possible damage to the Sigars residence.

According to residents of the area, the pipe has broken on three

New Reader Comments On Column That Touches On Subject Of Film Censorship

Dear Sir:

Quite by accident, while visiting friends in Westlake, I was introduced to your newspaper. I was most happy to find among the columns one that touched upon a subject which I feel a great affinity—film censorship.

It is unusual and quite rewarding to find in a newspaper an attack on the apparent evils of film censorship such as taken by your columnist, Leonore Brewer in "My Mad World," weak as it was.

Hollywood is forever complaining that its box office is failing, that people are staying away from their theatres, etc. But they seem to overlook one of the principle reasons for this—that adults would like to see films for adults—not some "fairy-tale" for children. Many a fine film has been reduced to the ranks of mediocrity by the censorship groups that yield such a heavy hand on the film-makers. Pressure and censorship groups from practically every walk of life inspect and censor each film to see that a member of their profession, or racial extraction or religion is not portrayed in an unfavorable light. All of the wrongdoings that transpire in the world today must be attributed to the persons responsible and not just because they happen to be a doctor, lawyer, or Indian chief. People are what they are and do what they do, not because of their profession, race or religion, but because they are themselves.

Whatever vestiges of reality remaining after these groups have put away their scissors are then subjected to perhaps the worst form of censorship, the local board. Actually I shouldn't say that they are subjected to them, for in many cases, these boards pass upon a picture without having seen it, relying entirely upon the reviews and comments of others.

Enclosed is my check for a year's subscription to your newspaper. I will look forward to reading of your newspaper's part in this campaign to abolish this black mark against our society.

Very truly yours,
Roy A. Walker

Subscriber Comments On Present Tax Bill

Dear Editor:

There has been much talk that the present tax bill is designed to benefit the rich. Such is not the case—let's examine the facts, first as to the excise tax reductions.

Anyone can take advantage of the tax reduction by simply buying a \$3,000 mink coat. By the reduction of the luxury tax from 20 per cent to 10 per cent, a clear savings of \$150 has been effected.

Or take your wife to a good night club. With a \$20 tab for food, etc., the savings in excise tax will be \$2.

Or call your brother in New York City and talk for a 10 period of time. Savings will be \$1.50 in tax.

Or buy your wife an ounce of good perfume at \$20. Tax savings is \$2.

Or buy a nice gold pen and pencil set at \$75. Here the savings will be \$3.75.

Or buy a Leica camera for \$350. Tax savings is \$35.

Additionally the taxes on such items as refrigerators, deep freezers, electrical appliances, etc., may (?) be reduced in 1955 or 1956.

Therefore by merely timing your purchase, buying the mink coat or Leica camera now and waiting until 1955 or 1956 to buy electrical appliances the present tax bills will work out well for the smart persons, irrespective of whether they are rich or merely in the good old middle class.

As for the income tax reductions. Here again tax savings can be effected but there are fewer

opportunities. Affirmative steps may be required before the benefit of such tax savings can be realized. For instance—by starting a business one can take advantage of accelerated depreciation. By killing the husband (or getting a divorce), any widow can take advantage of the child care deduction for baby sitters for the fatherless children. By buying stocks, one can take advantage of the dividend deduction and credit.

I am extremely tired of hearing the Democrats belly-aching about the "rich man's tax bill." There are also some Republicans that are disgruntled about the matter—but as pointed out above, it is merely a question of buying the right things at the right time, and taking affirmative action at the right time.

As an afterthought for the mother who wishes to make her children fatherless. The excise tax on firearms has been reduced from 11 per cent to 10 per cent. A clear savings of \$1 on the purchase of a good shotgun for \$100 (less chance of missing with a shotgun). It is not recommended that the more expensive, embossed stock shotguns be purchased for \$1,000 or up. The tax savings would be correspondingly more, but the gun is being purchased for a limited purpose and will probably not be used for the same purpose in subsequent years.

Cordially,
John Northender

Safety News From Your Local Police

The "pain in the neck" resulting from a rear-end collision isn't always limited to the cost and inconvenience of having a smashed radiator or crumpled trunk lid repaired.

A recent medical report told of severe neck and nervous system injuries growing out of even minor rear-end accidents and added a few tips on how to avoid such mishaps.

While speed is a factor in many rear-end collisions, scores occur at comparatively slow speeds because drivers persist in following each other too closely.

To prevent these neck jarring rear-end smashups at any speed, motorists should stay behind other vehicles at least the minimum safe distance—one car length for every 10 miles of speed.

What about the driver who sticks to another car's rear bumper like glue and can't or won't pass?

Motorists who find themselves being followed too closely should pull over, where safe to do so, and let their impatient fellow-driver go by.

Need For Election Officers In W'lake

A need for election officers in the Westlake area still remains, it was announced this week.

Local persons interested in the work, which pays \$15 a day for services from 7 a.m. to 7 p.m., may contact Starr Dunham, 80 Cliffside drive, for applications.

County Clerk John A. Bruning advised that while many applications to serve as an election officer have been received, there still remains the opportunity for persons desiring to be of service as an election officer to be appointed to precinct boards in most areas of the county.

Registered voters desiring to serve and assist in the conduct of the primary election in their locality should make application to do so at once as appointments to the precinct boards are now in progress.

Council Campaign Continues

DRYE SAYS WILL FIGHT FOR UNITY IN DALY CITY

John B. Dreye is a zealous believer in the policy of unification. His platform will not be filled with empty promises which he knows he cannot fulfill—but, he will fight for civic, industrial and community unity without bias.

John B. Dreye is 35, married and the father of three children; owns his home at 148 Wilschire avenue, Daly City; former Air Force pilot; now an active member of the Westlake American Legion; a graduate student at the University of San Francisco in business administration; now serving as one of the trustees of the Westlake Community Baptist church; represents a large San Francisco Baking company; was on the board of directors of the Westlake Investment Co.; successful as a businessman; a hard worker and conscientious to a fault. Such will be the attitude of John B. Dreye, if elected to the office of councilman, in administering the affairs of the city he loves and wishes to serve as a public servant.

It's time for a change.

North SM County Not Getting Enough Just Dues-English

The communities of northern San Mateo county have not received the equitable recognition their recent miraculous growth entitles them to receive from the county government.

Regardless of who is at the helm of the Daly City Council after the April elections, a rapid expansion of our industrial and commercial facilities must take place in order to meet the consumer, employment and tax needs of our city.

This expansion warrants more county improvements in this area. A truly progressive city council could much toward fostering a mutual assistance agreement with the southern districts which seem intent on cutting us off from everything but taxes.

The economic stability of the whole county depends on our ability to work together in keeping two steps ahead of our needs with intelligent and constructive planning. If elected I will place high on the agenda of council business a coherent program for steadfast improvement in county-wide relations.

GREEN VOICES THANKS FOR AID OF DC CITIZENS

Councilman Paul Green, who had the unique experience of being elected to the city council while still on active duty in the army, in 1946, expressed thanks to the many people in Daly City who are supporting his campaign for re-election. Green, who enlisted in the army as a private in General Joe Stilwell's Seventh Division, was separated with the rank of major, and was commended by the Secretary of the Army for organizational ability.

"Citizen participation in our government, through organization of city commissions with specific functions to perform, has helped the city council keep pace with its growth from 9,640 to 24,000 residents," Green said.

"Daly City enjoys one of the lowest tax rates in the entire state, for cities of similar size," Green reported, "and we are about the only city I know of which has not raised water rates since World War I."

Green, who resides with his wife, Patricia, and four children at 368 Northgate Ave., pointed out that Daly City assessed valuations have risen from \$12,000,000 to more than \$23,000,000, thus easing the burden on the individual taxpayer.

De Bernardi Asks Why Incumbents Fail Tax Problems

Is it not the duty of an elected representative to find out where our tax monies go? I say it is! Then why have the members of our city council failed us in one of our greatest tax problems—our county taxes?

What benefits do we in the north-end of San Mateo county derive from the taxes we pay? Where is the 'progress' and 'less talk more action' of the incumbent candidates been the past four years on this glaring problem?

If elected I would like to start a movement by the city councils of each of the cities in the north-end to meet and study this problem. A definite course of action could be formed and put into operation. This will be one of my first objectives on my program for a revitalized city council.

It's time for a change!

Water Improvem't Progressing Well, Says Gaggero

Mayor A. J. Gaggero, candidate for re-election as Daly City councilman, said today that the City's program of improvement to the water system was progressing favorably.

"The two new wells already drilled give assurance of an adequate water supply for years to come," Gaggero said. "The work is part of a \$396,000 modernization program, which will be paid from water department revenue, with no additional taxes required," Gaggero added.

Other projects under way at present are a \$175,000 improvement program for the Fire Department; traffic signals and channelization on Alameda Blvd.; modernization and expansion of police headquarters and completion of the park and playground program.

"Daly City has enjoyed more improvements during the past four years than ever before," Gaggero said.

Gaggero said he was appreciative of the citizens' groups thru-out the city who have expressed confidence in his program and who are sponsoring his re-election.

VICKERS CALLS FOR COOPERATION IN DEPARTMENTS

The discussion of mutual problems among the various city departments might be the first step in working toward a smoother functioning Daly City government, Council Candidate Sanford G. Vickers said today.

"I believe that heads of the different departments should meet on a quarterly basis with the council to present their problems and work for a mutual solution with the council," Vickers said.

"As it now stands," he continued, "the incumbents dictate bluntly what each department should do, sometimes without even taking the matter up with the city administrator, who is ostensibly the administrator of city departments."

"In budget matters, departments are dealt with without consideration for their needs. Putting Daly City's government on an efficient basis will be one of my first efforts if elected."

Kennedy, 39, has been a prime mover for bigger and better recreational facilities, dating from the time he graduated from Jefferson Union High school and led the fight for construction of the gymnasium and swimming pool there.

"The number of local people, both adults and children, who have been using our War Memorial Community Center proves that people appreciate first-class recreation facilities," Kennedy stated.

Kennedy is president of the North San Mateo County Sanitation district in addition to serving on the council.

"I wish to thank all of the people and organizations who have rallied to my support in my campaign for re-election," Kennedy said, "and I speak from the heart when I say that if re-elected to the city council I will continue a program of progress for all sections of the city."

Kennedy Says Old Timers Here Can View Improvements

Councilman James Kennedy, who lives at 6893 Mission st. with his wife, Gladys, and three children, said he has lived in Daly City for his entire life and that old timers can remember the vast improvement which has occurred in the city.

Kennedy, 39, has been a prime mover for bigger and better recreational facilities, dating from the time he graduated from Jefferson Union High school and led the fight for construction of the gymnasium and swimming pool there.

ELECTION DAY IS "PUT UP OR SHUT UP," SAYS WILSON

April 13, election day, is going to be a "Put up or Shut up" day for you Daly City voters!

Conversations with everyone show that whether the present council calls a meeting "Caucus," "Closed" or "Adjourned"—the results are more often according to Shakespeare's "a rose by any name would smell as sweet"—rather than according to Hoyle (or the public's expressed wishes). You and your neighbor agree, too, that creation of commissions by the council is farcical without cooperation from said council!

And the cry "Play Ball" sounds much better on the baseball diamond than it does in the field of politics.

Between now and Election Day, I urge each and every one of you to examine the incumbents' record of progress and public service along with your city and county tax receipts! Take a good long look at transportation — and our city-county emergency medical arrangements.

It's time for a change!

SEAGRAVES TO APPEAR ON LES MALLOY PROGRAM

"Narcotics and Education" will be the topic under discussion Friday evening on television station KGO-TV at 5 p.m. when Les Malloy has as his featured guest, Roy W. Seagraves, Peninsula attorney and recently appointed chairman of the San Mateo County Branch of the Narcotic Educational Foundation of America, sponsored by the Anti-Narcotic League of America.

With increasing attention focusing on the narcotic problem throughout the nation, and more specifically in the state of California, this timely telecast will emphasize the threatening menace of the sale and use of narcotics as it exists today, based on recent and authoritative information resulting from a comprehensive study by the speaker, Roy W. Seagraves.

Recognized authority on narcotics and their relation to juvenile delinquency, Seagraves will air the complex problem at the same time outlining a nationally sought solution through education.

Believing that a course of study of the manufacture, the traffic in the use and the effect of narcotics should become a mandatory inclusion in every high school curriculum, Seagraves will frankly discuss the known sources, uses and availability of marihuana, heroin and other opiates being used by tragically condemned young men and women.

An educational program for narcotic study, backed by more rigorous laws of punishment and enforcement of these laws, will be presented as a combined means of fighting the war against illegal drugs, when Seagraves speaks tomorrow evening.

With the vast majority of crimes involving violence or murder knowingly connected with the use of narcotics, a full scale crackdown on the market can be successful only by reaching the potential users through the field of education simultaneously, according to Seagraves.

Seagraves will examine facts and figures compiled by the Narcotic Educational Foundation of America which is organized throughout the United States as a branch of the Anti-Narcotic League. His appearance on the

ANNOUNCE ACTIVITIES SCHEDULE AT DALY CITY'S COMMUNITY CENTER

The following is a schedule of activities set for the Daly City community center for coming weeks:

Basketball: 9:30-11:30, 5:00-5:00
Monday-Friday
All Elementary school boys are welcome to take part in the Day Basketball Program. Mr. Herbert Sonneborn, a teacher from the Elementary school district handles the morning session classes and Mr. Gene Grant with the same background takes care of the afternoon session program. Both men have a fine background in Physical Education and are very interested in teaching the children the fundamentals of basketball. This is a fine opportunity for the children to learn basketball and have a good time doing it.

The Recreation department has scheduled an Adult Basketball League that takes to the court every Tuesday evening. The league has a good many big name players in it and should provide fine entertainment for Daly City. Jim Walsh, a former Stanford Great, is one of the mainstays of the Alta Roofing Team and Capie Lavin, former U.S.F. wonder is his running mate. Jack Allain, the 6 ft., 9 inch star for San Mateo Junior college the past season, heads the Tromborg Plumbing outfit. Sarto A.C. is spear-headed by Wayne Lovelace former Jefferson High school star. The league stacks up with young spirited teams against teams that have seasoned veterans. We wouldn't be a bit surprised to see one of these youthful outfits run off with top honors because of their drive and determination.
Folk Dancing: 7:00-8:30
Monday Evenings
Folk dancing is offered Monday evenings for Elementary school children in the Sixth, Seventh and Eighth grades. Mrs. Muriel Pabst, who has taught Folk Dancing in the area for the past 10 years is the instructor. This Monday evening the classes will be held in the auditorium to allow more space for the dance routines.

Daly City Band: 8:00-10:00
Wednesday Evening
The Daly City band meets on Wednesday evenings in the North Wing of the Community Center. The band master is Mr. George Brenner, who has led the band for the past 25 years.

National Guard:
Thursday Evening, 8:00-10:00
A National Guard Unit meets in the North Wing of the Community Center on Thursday evenings. The unit is made up entirely of Daly City youth.

Girl Scout and Brownie Sing Group: 7:00-8:00
Tuesday Evening
This group is made up of children from the Girl Scout and Brownie Units representing 101 Parkview.

Teen Age Club:
The Daly City Teen Age Club holds a dance the first Tuesday and the last Friday of the month. March 26, the children will dance to the tune of Howard Fredrick and his band.

Coming Events
March 26 — Teen Age Club dance.
April 12 — American Legion—Westlake Post 535 initiation ceremonies.
April 8 — Sports Night sponsored by OLPH Mens Club.
April 24 — Colma Fire Department—Widow's and Orphans Fund Dance.
May 1 — Democratic Committee sponsored dance.
May 15 — Daly City Fire Department—Widow's and Orphans Fund Dance.

BROADMOOR COP COMMISSION CANDIDATES MAKING CAMPAIGNS

Peebles Says: "Should Have All Areas In District Represented"

I feel strongly that the newly annexed Unincorporated Area of Colma, now a part of the Broadmoor Police Protection District, must be represented on the Police Commission of the District, an opinion that is shared by the majority of voters in the Unincorporated Area. Politics, in the usual sense, have no bearing on the matter; I have no personal axes to grind, no personal gain of any kind to win.

It is a matter of common sense that each of the major parts of the Broadmoor Police Protection District should have a representative on the Police Commission.

Broadmoor proper at the present time is already represented capably on the Police Commission by Mr. Joseph Belli, Jr. In a recent public meeting in the Unincorporated Area this matter was discussed freely, and it was the feeling of the majority of the voters present, that a man from the area should run for office of Police Commissioner. But we did not feel it was a personal matter, and that we should use some thought in picking the man to represent us.

As an independent business man, I was chosen because I work in my home, I am available there at any time. Being a novelist, a professional writer, my time is my own.

As an Administrative Assistant with the War Department, I am familiar with organization and accounting (something which a Police Commissioner, charged with the administration of funds, should be trained in); my father is now retired after thirty years on the Salt Lake City, Utah, Police Department, so I am familiar with both police procedure and problems.

As Vice President of the Sterling Park Community Association, I have proven my interest in public welfare. I feel an obligation to the people of the Unincorporated Area; an obligation to make us an integral part of the Broadmoor Police Protection District, to make the newly expanded Police District a smoothly functioning unit. I am fully aware of the problems to be faced; in the enlarged Police District they must be faced and solved.

The present Police Station is awkwardly placed; the present salaries of the regular officers of the force is too low. We do not, at the present time, share in the proceeds of the fines collected in the Courts. But these are NOT matters for any one man to set himself up to solve. They must be met by the unified action of all the Police Commission, with the problems of each of the major

Brown Sponsors Say Candidate Active In Helping District

Sponsors of "Harry Brown" for Police Commissioner of the Broadmoor Police District urge the support of all voters in electing Brown to this office. As a member of the Broadmoor Police Department for the past four years Brown has been instrumental in passing legislation in the State Assembly that has been very beneficial to this District. He was directly responsible for the passage of State Assembly Bill which authorized this Police District to legally operate our ambulance free of charge to the residents. He personally appeared in Sacramento on behalf of this measure. At the present time he is having legislation introduced that will bring in revenue from the traffic citations of this department. This is revenue that is now given to the county instead of to its source, the Broadmoor Police Department. As an organizer and public minded citizen he has assisted this Police Department in many ways. He organized and assisted in raising funds for the organizing of the Police Boys Club. Through his efforts he brought Babe Zaharias to this District for a benefit show to raise funds for the Boys Club.

In filing his nomination papers Brown stated, "I believe in equal representation of all districts but feel that Sterling Park, who will not pay any revenue towards this Police Department until after July 1, 1953, should first acquaint themselves with the problems involved in the operation of a Police Department as well as the many obstacles to be overcome in the future. In this manner they would then be in a position to nominate a well qualified representative and then I would be the first to extend my approval. I feel that my past experience, especially with this department, as well as my knowledge of the problems at hand, qualifies me to this office. I certainly will do my best to continue the rapid progress achieved by this Department."

Harry Brown is well known, highly regarded and respected by the Chief of Police, members of the present incumbent Board of Police Commissioners, residents of Garden Village and Broadmoor. His efforts in the past should be rewarded with election to this office.

parts of the Police Districts firmly in mind. To this end, the Police Commission must be representative of the entire District—and not the monopoly of any one section. That is the premise on which the great democracies of the world exist today; it is no less true in the present election.

My Mad World

By Leonore Brewer

The world is divided into two groups—those who are up there on the stage and those who buy tickets. With no bitterness we long ago came to the conclusion that our activities on the stage would be limited to carrying a spear in "Aida," and therefore applied ourselves seriously to the business of ticket buying. Of late we have reached the point where we try to infect with our enthusiasm for the world that lies on the other side of that golden line of demarcation—the footlights—with particular emphasis on the operation.

But this week's column is going to be different. This week we're looking for singers, professional or not, who are interested in auditioning for a local Opera Workshop.

To be more explicit, Nino Comel is looking for them, but we are personally so enthusiastic about his plans that we're out looking, too.

As you know, an Opera Workshop is where young artists and advanced students with operatic ambitions can obtain the necessary training to enable them to progress in their chosen career. It is usually customary to take a scene or act from some well-known operatic workhorse and work from there. Inevitably the young performer is tempted by recordings by today's stars and is unable to resist modeling his performance on theirs.

To prevent such perjury, Maestro Comel intends to tap the tremendous backlog of relatively unknown operas that require only a handful of performers and little or no chorus. He mentions in particular "The Music Master" by Pergolesi, Mascagni's one-act "Zanetto" and "Harlequin Furies" by Lualdi. I'm not ashamed to admit that I've never heard of either Lualdi or his "Furies," and the thought that I may have a chance to hear an unknown opera by an unknown (to me) composer fills my heart with joy.

Maestro Comel's plan can be very rewarding—singers need experience and it's high time the audience heard something different. The opera or operas chosen will depend upon the talent. Right here in San Francisco, 247 Columbus avenue, is the opportunity of a lifetime. Phone EXbrook 2-4261 or JUNiper 7-9072 for an audition. It's as simple as that. Do it today. Tell them I sent you!

CANDIDATES TALK BEFORE DEMOS

The North End Democratic club, meeting at the Broadmoor community center Wednesday, heard talks by John Waldier, candidate for Superior Judge, and Theodore Pretzer, candidate for assemblyman from the 25th district.

Louis Reif, Peter Markovich, and J. Walter Thomas, delegates to the Democratic pre-primary conventions gave a short report.

The nominating committee reported they were unable to make any selection and so nominations for North End offices were made from the floor.

Those named for president were Howard Richardson, incumbent, Thomas Jenkins and D. L. Dilbeck. Selections for vice president were John Putkey, Thomas and Reif. Mrs. G. Galvin and Owen D. English were picked as secretary candidates, while B. Robbins and Mrs. M. McDonnell were named for treasurer.

The following were selected as campaign chairmen for convention endorsed candidates: Thomas for governor; Julius Castelan for Roybol for lieutenant governor; James McKay for Yorty for senator; Jenkins for Taggart for congressman; Dilbeck for lesser state officials; English for Pretzer for assemblyman.

WORN-OUT MUFFLER

If your car makes a sputtering noise which grows louder as you increase speed, the trouble is very likely a defective muffler, says the California State Automobile Association. If you hear such a noise it's a good idea to have a competent mechanic check muffler, exhaust manifold and tail-pipe.

My heart with joy.

Maestro Comel's plan can be very rewarding—singers need experience and it's high time the audience heard something different. The opera or operas chosen will depend upon the talent. Right here in San Francisco, 247 Columbus avenue, is the opportunity of a lifetime. Phone EXbrook 2-4261 or JUNiper 7-9072 for an audition. It's as simple as that. Do it today. Tell them I sent you!

Ridgely Cummings Reports

If a new idea provokes in us a wild gust of indignation, it could be that we are suffering from a hardening of the mental arteries.

The pressures are on us every day to conform. Rebellion provokes unpleasant consequences and therefore we become afraid to controversy. We hide our fear in anger. For a nay-sayer is too often regarded as a "trouble-maker" and a potential traitor.

But the long I live the more convinced I become of the value of intelligent skepticism.

Case In Point

Fluorine is a good case in point. Just as fear may cause a hardening of our reasoning channels now it appears possible that fluorine may cause hardening of those channels that carry our life's blood.

Adding fluorine to the public water supply is a measure which I had assumed had the blessing of science.

Now all of a sudden I learn the opposite. I discover that some experts think fluoridization of drinking water may cause hardening of the arteries, deterioration of the heart muscle and all sorts of disastrous consequences.

Dangerous To Oppose
To oppose the scientists in this day and age is dangerous. It is tantamount to declaring oneself a mystic, a reactionary, a nitwit who believes that maybe the earth is flat after all. The questioner becomes an object fit only for the scorn of superior intellects.

Nobody wants to fall into this unpleasant category.

Being too busy to investigate for myself the merits of adding fluorine to water, up until lately I blithely went along with the scientists and public health experts. They said that this chemical treatment was worthwhile because it might reduce the number of cavities people get in their teeth. I've had a few cavities myself and they left nothing but painful memories of the dentist's drill. Which opens up a whole new subject—namely, are dentists really

sadists at heart—but that will keep until another time. Anything that would put the drill out of business was all to the good, I thought.

The "Manas"

Then I picked up a copy of a weekly publication called "Manas." I say picked it up but actually I got it free as a reward for having contributed several articles to it.

This is a thoughtful little magazine to philosophical problems such as pantheism, progressive education, power politics, the psychological origins of American culture, and similar abstract matters. This particular issue (January 27th) surprised me by discussing something so practical as the municipal water supply.

Apparently the editors of Manas oppose fluoridization, though one never knows for sure since they couch their observations in lengthy and round-about terminology. Major source of their ammunition against the measure was a paper written by Dr. Raymond L. Girardot of Detroit.

Lift A Few

The editors quote Dr. Girardot at length and I will now lift a few quotes from their quotes.
"To attempt to reduce the index of a symptom and do nothing toward the removal of its cause is scientific nonsense," Dr. Girardot declares.

The Detroit physician then proceeds to say that tooth decay is only a symptom and that the sensible thing to do is to attack what causes the decay.

"I maintain that dental caries is a symptom of imbalanced blood chemistry, which in turn is the result of certain deficiencies, and the intake of toxic substances. Acidophilus and subnormal saliva is but a segment of a vicious circle."

Fluorine is of course a toxic substance but the good doctor reserves his blows against that until later. Too much sugar is the causative agent of cavities, he says.
"All you gentlemen know from personal experience that the children whose sugar intake is high have a very high incidence of dental caries. Those who take your advice to reduce sugar intake present a healthy mouth. Dr. Bunting proved this point years ago with his experiment in an orphan asylum."

Candy, Soft Drinks

"Yet as an organization (the Detroit District Dental Society) how much are we doing to remove the candy stands and soft drink stands from the schools?"

"We are doing nothing."

"Yet we are asked to vote for a scheme to spend \$350,000 a year for ten years, partially to reduce the damage of the above program."

"This is a ridiculous absurdity and unworthy even to be considered by a scientific group."

Used Strong Language

Dr. Girardot used strong language and didn't pull any punches. He called critical attention to the fact that no studies have been made of the incidence of death from hardening of the arteries or heart muscle in those areas which have already started adding fluorine to their drinking water. He doesn't say outright that fluorine will cause this deterioration but he stresses that it is a poison and his implications are obvious when he calls for further study before more communities take the step of adding a known poison to their drinking supply.

There has been a limited amount of controversy over fluoridization but what I had previously read on the negative side seemed close to the crackpot variety of reasoning. There was more heat than light.

When laymen debate medical matters there is a tendency for both sides to become highly emotional. The temptation to substitute fervor for factual data is always present and is never so strong as when we are in short supply of facts.

Calm & Reasoned

But the discussion in Manas was calm and reasoned and the material seemed so pointed that I have now formed an opinion where formerly I had been content to accept the trumpeting of so-called authorities. My decision is simply to suspend judgement until I learn more about the entire matter.

Basic thing to be gleaned from this brief survey of a controversial subject is the desirability of skepticism. Those of an authoritarian cast of mind would like to stamp out the questioning attitude, but it is an extremely healthy one for a democracy, where theoretically at least we all have a voice in making decisions relating to the public welfare.

Because of the conditions under which they practice, doctors are

Daly City's Tommy Barron, whose dog, Griff's Gold Patches, has won many high honors against top-flight competition.

Mayor Anthony Gaggere presents trophy, while Judge Roy Wingo at right looks on.

DC Dog Handler Is Consistent Winner

Griff's Gold Patches, owned by Tommy Barron of Daly City, recently won top honors over 60 canine entries, including eight champions, at the Specialty Dog Show of San Mateo.

Barron, a Jefferson High school student, has competed his animal, successfully against some of the top dogs of this country and animals imported from England.

Entering the show ring with his pet and pure bred English Bulldog "Patches" he has been up against many of the outstanding professional handlers of the United States and has consistently been a winner.

His dog, although only 20 months old, has annexed points toward her AKC championship at such top shows as the Bulldog Specialty Show of 1953, Santa Cruz Kennel Club Show, 1953, Contra Costa Kennel Club Show, 1953, Mt. Eden Show, 1953, and the recent 1954 Bulldog Specialty Show at San Mateo.

Patches expects to be a mother in April, having been bred to the outstanding Fearnought who recently went best of breed at the largest show in America in New York City, and was a guest of honor on Ralph Edwards TV program, "This Is Your Life."

Because Patches is "expecting" she will have to temporarily retire from the show ring only three points from the coveted AKC Championship.

SPACE PROBLEM—Officials of first San Francisco Bay Area Science Fair for high school and junior high school students face task of finding room for hundreds of projects to be exhibited at Academy of Science in Golden Gate Park April 23 through May 2. Studying list of entries from schools in twelve counties are Robert A. Rice, left, chairman of executive committee; Ray W. Turnbull, chairman, advisory committee; Howard M. Benninghoff, executive director.

NORTH END DEMO CLUB ANNOUNCES PLANS FOR DANCE

The North End Democratic Club, composed of Democrats in Daly City, Westlake, Broadmoor, Unincorporated and Corporate Colma announced plans today for a dance and rally to be held Saturday night, May 1, at the Daly City Memorial auditorium.

Richard Graves, Democratic candidate for Governor, has promised to attend and other Democratic candidates for state and national offices have been invited.

It is believed that this will be the largest Democratic gathering ever to be held in the Northern part of San Mateo county. All proceeds of the dance will be used by the club in carrying out its responsibilities in the Northern part of San Mateo county in securing the nomination of Democratic candidates in the primaries.

Music for the dance will be by an eight piece band led by a local Democrat, Bud Capp.

ATTENTION TO SIRENS

Red lights and sirens call for the night of way any time, any place, points out the California State Automobile Association. When a siren sounds, every motorist who hears it is required by law to clear any intersection he may be in, get over to the right—clear out the shoulder if he is on a highway—and stop.

Catholic Bishops Stage Annual Drive To Aid War Victims

Catholic churches of San Mateo county will again take part in the annual nation-wide campaign of "The Bishops' Fund for Victims of War." The hoped-for goal has been set at \$5,000,000. During the past 10 years, foodstuffs, clothing and medicals valued at \$212,365,000 have been distributed to the needy in some 63 countries of the world.

The first phase of the appeal, the school children's Lenten collection on behalf of needy children overseas, is conducted in each of the parochial schools during the 40 days of Lent, according to the Rev. Leonard W. Bose, San Mateo county Director of the Bishops' Fund. The general appeal will be made in all Catholic churches next Sunday, March 28, known as "Laetare Sunday."

"Human suffering is so widespread in the world today that it has become almost an impersonal fact," stated Father Bose. One out of every 60 of the world's family is a refugee family. Our minds grow numb when we try to grasp the fact that 38,000,000 people are adrift, homeless, and destitute. Our concern must never wane for the plight of these unfortunate who are not permitted to use their God-given rights to earn bread and to protect and provide for themselves and their families. Each of these millions is an individual, who extends his hand to us, who cries to us for aid—and we cannot ignore them."

Funds collected will be used to support the overseas relief agencies of the Catholic Bishops' Welfare and Emergency Relief Committee and the War Relief Services—National Catholic Welfare Conference. Distribution of relief materials is made solely on the basis of need, regardless of race, color, or religion. Donations may be made to the Bishops' Fund for Victims of War through the local Catholic churches.

Bertetta, Nevolo, Take First Rounds In Lake Merced Club Golf Tourney

Fred Bertetta, head of the planning commission, and Vincent Nevolo, owner of the Town and Country Food Center, swept their first matches in the Lake Merced Club Golf Championship, as the tourney got under way last weekend.

In the fourth flight, Bertetta downed Robert Hunter, president of the Daly City Chamber of Commerce, 5-4, while Nevolo took his match in the third flight over Ed Berliner, 3-2.

Bertetta will meet the winner of the J. Saxe-Frank Blum match. Blum, city attorney, was winner in his flight last year.

Bill Kennedy, owner of Ken-

nedy Electric, will face the stiffest competition, perhaps meeting the likes of golfers like Ed Castagnetto and Dr. B. W. Thompson. Castagnetto tied for second place in the Palm Springs amateur tourney last weekend, shooting all sub-par rounds. Kennedy meets Warren Berl in his first match.

In other local matches Mike Jacobs, owner of King's Market, lost to Dr. Brady 1 up. Frank Gigli, of Gigli plumbing, faces Frank Sylvan in his first test in the Dare Balkin memorial flight.

The final rounds of the tourney are scheduled for April 10 and 11.

Local Girl In Ballet Saturday

Judy Del Zompo of Daly City will be among the ballerinas appearing in the Ballet Symphony Concert which opens Saturday night at 8:15 p.m. at the new South San Francisco High school auditorium.

Miss Del Zompo, along with Elisa Varni and Laurel Lee of South San Francisco will be the solo performers.

The concert is being presented by the California Youth Symphony orchestra and the Ballet Petite.

The youth symphony will present the first part of the concert and Ballet Petite will perform the popular "Nutcracker" and "Les Sylphides" ballets.

Tickets will be available at the door. Many free tickets have already been donated at the Edgewood school of San Francisco and the San Mateo orphanage home.

Broadmoor Scout Mothers' Auxiliary Plans Troop Party

The monthly meeting of the Mothers' Auxiliary of Boy Scout Troop 84, of Broadmoor Village, met on March 9 at the home of Mrs. Brouhard at 504 A street, Colma, with Mrs. Harold Brown acting as co-hostess.

Plans were made for a party to be held for the troop, at the Broadmoor community center, with the date to be decided later.

Plans were also made for an apron sale to be held in May. The aprons will be made by the mothers of the Boy Scout Troop and proceeds from the sale will go into a fund to send representatives of the troop to future jamborees.

Mrs. Dier, the wife of the new assistant scoutmaster of Troop 84, was presented to the members of the Mothers' Club.

The next meeting will be held on April 13, at the home of Mrs. Garretson, 1748 Sweetwood drive, Broadmoor Village. Mrs. Spry will be co-hostess.

Present at the monthly meeting were: Mrs. Hansen, Mrs. Lara, Mrs. Brouhard, Mrs. Spry, Mrs. Cyr, Mrs. Brown, Mrs. Garretson, Mrs. Melani, Mrs. Mattinson, Mrs. Braun, Mrs. Krueger, Mrs. Dier and Mrs. Roach.

WHAT'S NEW in fashion, from the younger set's standpoint, is shown here by Jill and Paul Pfotenauer, 7 and 4 years old, respectively, who modeled in the Westlake PTA Spring Fashion Show held at the school Saturday. Paul was dressed in a white palm beach suit, while his sister modeled a nylon party dress. Both selections were from Lass & Laddie Shop in Westlake. Other stores taking part in the show were Towne and Beach Tog Shoppe and Westlake Fashions. More than 350 persons turned

out for the gala show, which netted the PTA approximately \$300 for the school. Eleven adult and eleven child models displayed the latest in spring wardrobes, in selections ranging from bathing suits to formal. Spring music was provided by a trio from the Westlake School of Music. Mary Lee Futernick, soprano, was vocalist for the afternoon. Blanche Lagomarsino of the Westlake Fashions commented the show. Acting as PTA chairman for the occasion was Mrs. Howard Dunbar.

Fashion Parades At Westlake PTA Show

Fashions were spotlighted last Saturday afternoon at the Westlake school when the PTA presented its first style show and tea. Models promenaded, to the soft strains of a string trio, in the latest Easter finery and summer sportswear from the local shops. Decorations, in the spring motif, transformed the multi-purpose room into a luxurious fashion salon.

A highlight of the afternoon was a surprise gift of a mother and daughter outfit won by Mrs. E. Bersinger of 49 Cliffside drive.

Immediately following the show, fancy sandwiches and cake were served. The overwhelming success of the event was due to the efforts and cooperation of many people. The PTA wishes to thank the following: Mrs. Blanche Lagomarsino, commentator; string trio

from the Westlake School of Music; Mrs. Joseph Futernick, soloist; Towne and Beach Tog Shoppe; Lass & Laddie Shop; Westlake Florist; Cherrill's Nursery; Daly City Park Commission; Mr. A. Conti; Henry Doelger, Inc.; J. Kendree; Merle Norman Studios; Shoe Fair; Parisian Furrier; and Towne and Country Cleaners who donated the use of their station wagon to transport the clothing.

Due to an error, the name of Mrs. J. Goldhirsch, owner of Westlake Fashions was omitted from the program.

The committee chairman wish to thank all of the members who gave so freely of their time and talents to make this affair an outstanding success.

Mrs. I. Silberstein and Mrs. L. Farber will be hostesses at an executive board meeting on Monday evening, March 29.

James Snell PTA Carnival of Cottons Attracts Crowds

The "Carnival of Cottons," annual fashion tea of the James L. Snell PTA, found some 300 people enjoying the afternoon of fashions, models, music and refreshments, which took place on Saturday last at Jefferson High school.

The event was a great success, and Mrs. John Kelly, general chairman, wishes to thank the following, in addition to those previously listed as participants: Mrs. R. A. Flint, for the wonderfully arranged decorations; Mr. Harry Heller of the Crocker Cleaners, the Broadmoor Pharmacy, Shaw's, King's Market, Ray Logan, the Junipero Serra Nursery, and the following committees: tea tables—Mmes. Walter Klevesahl, Lloyd Eagleton, John Taylor and Harold Kullberg; hostesses—Mmes. A. J. Gaggero, H. Z. Weibel, Larry Green, Hortense Sundman, Helen Holman, and Misses Aileen Suber and Marilyn Thompson.

Proceeds from the tea went towards fulfillment of some of the educational and recreational needs of the Benjamin Franklin and Garden Village schools.

Professional dancing exhibition will be given by two former members of the Arthur Murray Studio.

Admission price to the dance is 35 cents for members, 50 cents for non-members.

COOKIE SALE TO OPEN SATURDAY

The Girl Scouts and Brownies of the Daly City-Colma area will all begin action this Saturday on the sale of their cookies for the fifth consecutive year.

The 57 troops, consisting of over 775 girls ranging in age from 7 to 16 years are working with the rest of northern San Mateo county toward a goal of \$10,000 profit from this year's sale. Money derived from this source goes to provide better camping for all age groups. Camp Mattrup, in the Colma hills, is open all year for individual troop camping as well as a day camp program in the summer. The newly purchased camp site in Sonoma will open for the first time this year for Summer camp sessions. It is being used at present for week-end camping although it's 70 acres are almost completely unimproved.

The cookies, packaged in two varieties—plain and sandwich type, will be sold for 45 cents a box. Two cents of the profit from each box sold stays with the individual troop to be spent at their own discretion with the large remainder going into the camp fund.

Any group wishing to purchase cookies during the drive which will last from March 27 through April 10, may contact Mrs. G. Reginelli, district cookie chairman at PL. 5-5971.

New, roomier bodies! New, rugged construction!

New Chevrolet Trucks...

do more work per day... more work per dollar!

You save extra trips. That's because of the extra load space you get in the new Advance-Design bodies. New pick-up bodies are deeper, new stake and platform bodies are wider and longer. Also, they're set lower for easier loading.

You save hours on the road. Thanks to new high-compression power, you can maintain faster schedules without driving at higher maximum speeds. Increased acceleration and hill-climbing ability let you save time where it counts.

You save time on deliveries. With new truck Hydra-Matic trans-

mission, you save time at every delivery stop. And you can forget about clutching and shifting for good! It's optional at extra cost on 1/2-, 3/4- and 1-ton Chevrolet trucks.

You save on operating costs. New power saves you money every mile! The "Thriftmaster 235" engine, the "Loadmaster 235" and the "Jobmaster 261" (optional on 2-ton models at extra cost) deliver increased operating economy.

You save with lower upkeep, too. Extra chassis strength saves you money on maintenance. There are heavier axle shafts in two-ton

models... bigger clutches in light- and heavy-duty models... stronger frames in all models.

And your savings start the day you buy. In fact, they start with the low price you pay and continue over the miles. Chevrolet is America's lowest-priced line of trucks. It's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the money-saving facts.

Easter Scheduled As Opening Day For Broadmoor Church Of Nazarene Building

Easter day has been announced as time for the grand opening of the Broadmoor Church of the Nazarene, Washington and Edgeworth streets, according to the Rev. L. W. Coey, pastor.

The pastor said the building will not be complete in detail, but will be ready for use at that time.

An invitation to attend the opening day services has been extended to all in the community by the Rev. Coey.

Temporarily, services are being held at 101 Vista Grande avenue, Daly City. Services for Sunday are as follows: Sunday school, 2 p.m.; worship service, 3 p.m. evangelistic service, 8 p.m.

Prayer meeting and Bible study will be Wednesday evening at 7:45 o'clock.

In the Sunday school department, a contest was just completed

in an effort to bring new scholars into the school. Winner of the girls' award was Dana Donham of Daly City, who brought 41 scholars in during six weeks. A close runner-up was Ruth Webb of Broadmoor, who brought in 40.

Winner among the boys was Charles Hunley of Daly City who brought in 23 new members.

The Young People's group, under direction of Mrs. Richard Whiteside, president, held a supper and social Saturday night in the home of Mr. and Mrs. Stanley Webb of Broadmoor.

Monthly meeting of the Missionary society, headed by Mrs. Lillian Webb, was held at the home of Mrs. Essie Lovelace in Daly City.

Election of officers will be held for the society at the next meeting.

GUEST SUNDAY IS ANNOUNCED AT CHRISTIAN CHURCH

The Vista Grande Avenue Christian Church announces next Sunday as Guest Sunday. Howard Patrick McConnell, minister, will speak at 10:55 on the subject, "Followers in the Way," and after the morning service Fellowship time is to be observed in Fireside Hall with coffee served to members and friends, and something milder for the children. This is in charge of Mrs. Robert Miller.

The Christian Youth Fellowship meets every Sunday evening in Fireside Hall, and the Chi-Rho group every Friday evening.

The Men's Fellowship is staging a big dinner meeting for Friday evening, April 2nd, with Verne Simpson acting as MC. With him are Thomas Murray, and Ted Bryan. Neal McGowan, minister of the West Side Christian church, is the speaker of the evening. A men's group from that church will sing. For the benefit of those who wish to see the Bobo-Gavelin bout, a television set will be installed.

The week beginning March 28 has been designated "Get Acquainted Week," and teams of church members will be visiting neighbors and friends in Daly City and its surrounding communities. Arrangements for this are made by Mrs. Harold Emmert.

LIST SERMON TOPIC FOR SHARP PARK

The value of humility, patience, and obedience in learning the nature of spiritual reality and in experiencing the divine healing power will be stressed at Christian Science services Sunday at Sharp Park. The Lesson-Sermon is entitled "Reality."

The challenging definition of worship given by the prophet Micah (6:6-8) will be included in the readings from the Bible:

"Wherewith shall I come before the Lord, and bow myself before the high God? Shall I come before him with burnt offerings, with calves of a year old? . . . He hath showed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?"

Among the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following:

"What we most need is the prayer of fervent desire for growth in grace, expressed in patience, meekness, love, and good deeds. To keep the commandments of our Master and follow his example, is our proper debt to him and the only worthy evidence of our gratitude for all that he has done. Outward worship is not of itself sufficient to express loyal and heartfelt gratitude, since he has said: 'If ye love me, keep my commandments.'" (4:3)

SCHEDULE OF MASSES IN LOCAL CATHOLIC CHURCHES SUNDAY

Our Lady of Perpetual Help church, 60 Wellington avenue, Daly City, (PLaza 5-2377). — Sunday Masses are scheduled at 6:30, 8, 9, 10:30 a.m. and 12:15. Devotions are held on Tuesday nights at 8 o'clock.

Holy Angels church, 107 San Pedro Road, Colma, (PLaza 5-0478). — "Sunday" Masses are scheduled at 7, 8, 9, 10, 11 a.m. and 12:15.

Perpetual Novena is held every Tuesday night at 7:30.

Dr. David Esler Guest Speaker At Grace Presbyterian

Dr. David Esler, associate professor of practical theology at San Francisco Theological Seminary, will be guest speaker at the 11 a.m. worship service Sunday at Grace Presbyterian church.

Dr. Esler will address the congregation on "No Slackers in the Kingdom," with scripture readings taken from St. Paul's letter to the Roman, Chapter 12, Verses 1 through 11.

League For Better Schools To Discuss Candidates Mar. 31

Qualifications of 26 Jefferson Elementary School district board of trustees candidates will be heard March 31 at the council chambers when the League for Better Schools meets at 8 p.m.

The group, recently formed to screen candidates for school board positions in order to encourage qualified personnel to the jobs, will compare candidates with a master list of qualifications set up earlier.

Past meetings of the League have been concerned with electing officers and setting up the qualifications.

The League said today that, "Although the school boards in the past have done a commendable job, with the increasing needs of the school district we feel it necessary that more people become interested in school activities."

At the first meeting of the League held last month 26 organizations sent delegates. However, the League voiced the hope that all local organizations would be represented at Wednesday's meeting.

The League pointed out that they were "Definitely a non-political group and dedicated only to better education for the district."

CHARGE WESTLAKE WOMAN OPERATES BOARDING HOUSE

A Westlake woman was charged this week with operating a boarding house in the subdivision and ordered to cease operation on penalty of legal action.

City Attorney Frank Blum said he forwarded a citation to Sally Hink, 277 Wilshire drive, Wednesday, ordering her to show cause why a warrant shouldn't be issued against her for violating the city zoning ordinances.

According to Blum, the woman is operating a boarding house at the Wilshire home, in direct violation of city zoning laws, which sets the area up as R-1 (single dwelling).

Blum said there were seven people living there at her home, which is being operated as a commercial enterprise.

"Apparently the place is being operated as a boarding house," Blum said, adding that, "Unless she stops using the residence as a boarding house we will have to get out a warrant against her."

The Westlake Improvement association has also been concerned with use of the residence in past weeks and has taken up the subject in board meetings. Use of the residence as a boarding house would also constitute a violation of association laws.

Mrs. Hink said yesterday that she had only four boarders living at her home, all college boys. She explained that her three children also live there, which probably accounted for the "seven" figure given.

"I was given to understand that it is within the law to have five boarders as long as the home is operated as a family residence," she said. "I have always thought that I met the terms of the law in boarding four persons here," she added.

COLMA EIGHTH GRADERS MODEL NEW CREATIONS BEFORE HILLSIDE PTA MEET

Parents and friends of the Colma eighth grade girls were very pleased at the beautiful creations that were modeled last Wednesday evening for the Hillside PTA. All types of skirts, some with matching waists, dresses, dusters, night clothes and stoles with matching outfits. Judith Domio was the narrator for the girls. The girls made all the clothes in their sewing class under the direction of Mrs. Ruth Mayo and Mrs. J. Burr. The seventh grade girls baked all the cookies in their cooking classes, which were served with punch as the refreshments of the evening. Eighteen seventh grade girls were chosen to act as hostesses for the evening.

Another fashion show from the students will be an event that will be looked forward to with pleasure. The boys of Mr. Crane's craft class had some of their work on display also.

Mrs. A. J. Gaggero, president of the unit, presided over the evening's meeting. Mrs. John Hiller led in the pledge to the flag and then read the character thought, Mrs. Fred Kruse, chairman of the nominating committee, read her report on the election of officers for the coming year. They are as follows: President, Mrs. Harry Bosher; vice president, Mrs. Chester Mattison; secretary, Mrs. Palmer; treasurer, Mrs. E. Golliday; financial secretary, Mrs. Richard Mollison; auditor, Mrs. Stanford Vickers; historian, Mr. James Hough.

The old and new officers will meet together at the next Board meeting which is to be held on April 12. They will have dinner at Rickey's Red Chimney in Stonestown.

COUNCIL OPENS BIDS ON SAND TRAP, SITE DEVELOPMENT, PIPE LINE WORK

Final steps toward completion of facilities for a 1,300,000 gallon reservoir in Westlake were made Monday when the council awarded bids for a sand trap, site development and a pipe line.

Low bidder on the sand trap was Bernal Construction Co., with a figure of \$15,718.60. The sand trap will be located next to the recently completed well at the back of the Benjamin Franklin school. The trap will filter sand from well water, and the water will then be pumped to the reservoir. A total of three bids were submitted on this job.

Contract for grading and site development, plus installation of a fence and a storm drain at the well site went to Pacific Pavements, who bid \$10,499. Their bid was low of 11 entered.

Low bidder on installing a pipe line from the well site to the reservoir was E. T. Haas, forwarding a figure of \$9,991. Twelve bids were submitted for this job.

Total amount of bids on the three projects, \$36,208.60, was approximately \$3000 under the engineer's estimate for the combined work. Only low bid above the individual job estimate was Bernal's \$15,718.60 for the sand

trap, which was \$118.60 in excess of the predicted cost.

Work will start on the three projects within a week or ten days and they should be completed in two months. Westlake residents will be receiving their water from the new reservoir, located just southwest of Broadmoor, within four months. Approximately three months of water remains to be done on the reservoir.

The new reservoir is part of the water improvement program launched after voters of the area approved a \$390,000 revenue bond for water improvement last year.

A second Westlake reservoir will be started when the other is put in use.

At present, Westlake residents receive their water from the Citrus avenue reservoir in Daly City, which serves the entire city.

Plan Graves Campaign Group In Westlake

Formation of a "Volunteers for Graves" organization in Westlake was announced this week by David Jackson, 139 Crestwood drive, apt. 18.

Jackson said that the group would work for the election of Richard Graves to the governor's post. They will also seek to have as many voters registered by the April 15 deadline as possible.

Assisting Jackson in formation of Volunteers are George Rabholz and Reed Harris, both of Westlake.

Persons interested in further information on the organization may contact Jackson at PL 6-0134.

Transit Survey Will Work Here Next Week

The Bay Area Rapid Transit Survey moves to the Westlake area next week, with interviewers to work the Greyhound lines between downtown San Francisco and this area.

Parsons, Brinckerhoff, Hall and Macdonald, consulting engineers to the San Francisco Bay Area Rapid Transit Commission are engaged in the two-year study under a combined state and Bay Area counties grant. The findings from these origin and destination surveys will enable transit engineers to scientifically lay out future rapid transit routes for the San Francisco Bay Area.

WHAT'S DOING

Thomas R. Gilbert, your Telephone Manager in Daly City

Emergency power for your telephone

Once in a great while, because of storms or other emergencies, a telephone central office may be cut off from its usual source of electric power. But this doesn't interrupt telephone service. In your central office are special electric generators, run by gasoline or diesel engines. And they take over the job of charging the large storage batteries that supply the current to run the telephone system.

Planning ahead for emergencies is another way we make sure you have dependable, low-cost telephone service when you need it. Pacific Telephone works to make your telephone a bigger value every day.

Coast-to-coast calls cost only \$2.50 plus tax

Just think — you can call clear across the country — for just \$2.50 plus tax. This is the day station rate for the first 3 minutes. Calls over shorter distances — to Chicago, Salt Lake City, etc., cost less. Still lower rates apply for all calls on Sundays and after 6 p.m. on weekdays.

How you can enjoy even better telephone service

If yours is a party-line, you will receive even better service by following these simple points: When you have a series of calls to make, take time out between them. This gives other people a chance to reach you. Before you call, make sure the line is clear. And in cases where someone else has to make an emergency call while you're talking, the thoughtful thing is to hang up and call back later. Pacific Telephone.

LOCALS GAIN STRENGTH WITH RETURN OF REGULARS; LEAGUE OPENER FRIDAY

Jefferson high's varsity baseball squad suffered their fifth loss in seven practice starts Wednesday, but looked good in bowing to a strong St. Ignatius team, 4 to 3.

Don Delbon, in his first time on the mound for the locals since the close of the basketball season, gave an idea of performances to come by allowing the Wildcats only seven scattered hits and striking out six. He only passed a single stick-er during seven innings of thuck-ing.

Madden Gets Triple

Catcher John Madden slammed out a 400-foot triple and got a single in three trips to the plate, while Delbon aided his own cause with a run-scoring double, and a single in as many times at

bat. Al Figone, third baseman, and B. McNeal, center patcher, also got two singles. The Jeffs got a total of 11 hits for the afternoon. Coach Lou Martin's Daly City nine played on even terms with the Ignats going into the final in-ning. It was 3-up when St. Ignatius came up in the bottom of the

seventh and scored a man from first, after a ground ball, sacrifice and a hit.

Steady Defense

The Jeffs tallied a run in the third, fourth, and sixth innings. The locals' defensive play was steady, with only one error being committed.

The loss gave the Indians a 2-5 record in practice games to date, but three of the contests were played without services of some of the regulars, who were still out for basketball.

Today (Friday) the locals will take on Balboa here at 3:15 p.m. with Dan Bertelli probable start-er.

First League Game

Tuesday the Indians will meet Rioridan here at 3:15 p.m., while the Daly City nine will vie in

their first league contest Friday, April 2, here at 3:15 p.m. against Burlingame.

Delbon or Lowell Creighton will probably work on the mound for the initial league go.

Tuesday the Jeffs topped Rioridan, 4 to 0, with Bertelli pitching a two-hit shutout in seven in-nings work.

Madden banged out a double to lead the hitting attack as the lo-cals were allowed only 5 safeties.

Bertelli Whiffs 7

Bertelli struck out seven, but was a little wild, walking six.

Last Friday against Polytechnic the Indians racked up their first practice win, gaining an 8-5 de-cision over the San Francisco out-fit.

Creighton handled pitching du-ties, allowing seven hits, walking

three and striking out six. The Jeffs got a total of eight hits to score as many runs.

Sports Show Tickets Go On Sale This Week

Tickets for Daly City's Sport Show, April 8, went on sale this week at three locations.

Price of admission is \$1 for adults, 35 cents for teen-agers. The teen-agers may purchase their tickets at the door.

Adult tickets went on sale today at McGraw's Pharmacy, Peter Markovich insurance office and Godfrey's Ice Cream.

Elmore, a :10.0 sprinter; Milt Kel-ley, promising in the 440; hurdler Fred Berensmeier and high jumper Al Desin, who has a best of 6-2.

Dick Ellis, a broad jumper from Poly and John Bologna, a 45 foot shot putter from Galileo will also help.

State's chances in the Far West-ern title meet—scheduled May 15 at Davis—depend upon the devel-opment of new men.

The Schedule: March 27—San Jose State and Santa Clara Youth Center at San Jose; April 3—Calif-ornia Aggies at Davis; April 10—Nevada at S. F. State; April 17—Cal Poly at S. F. State; April 24—Pacific at S. F. State; May 1—Chico State and Sacramento State at Sacramento; May 8—San Jose Invitational at San Jose; May 15—Far Western Conference meet.

SFS Thinclads To Vie In Triangular Meet On Saturday

San Francisco State's trackmen, who were rained out of last week's opener with the Santa Clara Youth Center, will meet San Jose State and the Youth Center in a trian-gular meet Saturday (Mar. 27) on Spartan Field.

Coach Ray Kaufman must re-build, since Vic Gipson, a star from the 220 to the 880, was draft-ed; Bob Lualhati, :49.9 quar-ter-mile record holder, faces an early army call.

Freshmen will help considerably. The frosh include hurdler Levi Mason, an all-Alameda county football star at Alameda; sprinter Virgil Owens from the same school; Tom Leonard, a top 880 prospect from Lowell and John Mathis, a 6-1 high jumper from Washington.

State coaches describe Mason, a fast 190 pounder, as the best nat-ural athlete ever to enroll. The big boy simply smashes through hurdles and Kaufman expects him to approach :15.0 in the highs this season. Owen is a :10.0 sprinter and Leonard has already post-ed a 2:01 half this year.

Kaufman picked up field event strength by the return from serv-ice of Herb Franklin, who has a javelin best of 195, and George Von Arx, who throws the discuss around 140 feet.

Alta, Sarto Win In Adult Cage Opening

With some flashy cage company participating, the Adult Basketball league got underway Tuesday night at the community center with Sarto A.C. and Alta Roofing ringing up opening night victories.

Sarto, featuring an array of San Mateo Junior college hoop talent, turned back the VFW, 61 to 42, after pouring on the pressure in the second half.

The vets gave athletic clubbers a scare in the opening session, as half-time score favored Sarto only 30 to 25.

Wayne Lovelace, center, and Tom Costello, both former Jeff Hi stars, paced the Sarto attack with 13 and 11 points, respectively.

Boistering the Sarto offense were SMJC standouts Tom Gil-christ, A. Ruffoni and C. Megessun. Joe McNamee, who campaigned at center with USF in seasons past, led the VFW with 11 points.

Alta Roofing got a scare from Tromborg Plumbing, coming from behind in the second half to win, 71 to 57.

At the end of the first period the pipemen led, 28 to 25.

It was only when Alta Forwards Jim Walsh and Harvey Cranow and Guard Cappy Lavin started banging away at the buc-ket in the third canto that the roofers could boast any comfort-able margin. Walsh potted 12, Lavin got 14, and Cranow snared 18 for the evening.

Jack Allain, 6 ft., 9 in. center for the plumbers, grabbed off high point honors for the evening, scor-ing 26 points and demonstrating some crafty floor play. Allain is another jaycee competitor from San Mateo, having operated pivot post for the Mateans.

Approximately 100 spectators viewed the opening night contests.

PISTOL SQUAD FIFTH AGAINST 35 TEAMS

The San Mateo County Police Pistol team, organized for less a than a year, came out fifth best in a recent pistol match with 35 teams competing.

Daly City police won praise for their training in fire arms by tak-ing home 14 medals from the matches in individual competition.

In team shooting, the four-man San Mateo county squad compiled a total of 1131 points to rack fifth. Only a few points separated the five top teams, as California High-way Patrol, the first place winner, had a total of 1165 points.

Al Heat of San Bruno was high man for the team with 290 out of a possible 300 points. Ray Otto-boni of Colma was second with 275 points. Bill Martin of the sheriff's office and Jimmy Welsh of Daly City had 271 and 270, respectively, to round out team scoring.

In individual competition, Ger-ald Schaeffer and Henry Sunder-mann of the local PD on two med-als apiece.

Ottoboni, who operates a pistol range in Colma, said later that Daly City's showing in the meet points to the fact that the local department is "the best-trained in the county in handling of fire-arms."

Announcement was also made by Ottoboni that his range will be made available for training of youngsters in the use of rifles. Members of the county police team will act as instructors.

Ottoboni said 10,000 rounds of free ammunition will be provided for the youngsters.

FROSH-SOPH NINE DUMPED, 9 to 0, BY CARLMONT

Plagued by errors, Jefferson High's Frosh-Soph team was soundly drubbed in their league opener Thursday against Carl-mont, 9 to 0.

Chucker Jim Honeywell pitched a steady game but couldn't stop the tallied from coming across as his teammates committed eight miscues.

The Indians were weak in the hitting department, with singles by Honeywell and Ray Vuillmain-roy, third baseman, the only showing at the plate.

Honeywell struck out five bat-ters, walked two and allowed only six hits.

In practice games to date the Frosh-Soph squad has compiled a 2-1 record. They were scheduled to see action in league play again yesterday (Thursday) against San Jose.

Lectures on the Columbia river basin and the powerhouse at Grand Coulee Dam are conducted every day except Christmas.

How to wool-gather in comfort

You can count sheep in lux-urious comfort in your spacious Pullman accommodation aboard an SP streamliner.

We've been wool gathering, too... to give you extra-fine wool blankets to add to your sleeping comfort. You also get clean white sheets every night and a soft, full-length Pullman bed.

But there's more: You have lots of space to relax in. You have all the privacy you want. You have in-dividually-controlled air condition-ing. In rooms, you have your own private toilet facilities. You have all the attentive personal service of a top-flight hotel.

And you have the many recrea-tional facilities of the Lounge Car, including games, refreshments and the stimulating conversation of congenial people.

Next time you travel on Southern Pacific, relax in a roomy Pullman accommodation—roomette, bed-room, compartment, drawing room or suite. Also available: Pullman section space (upper and lower berths). You can reserve space in advance.

Freight, too, travels comfortably —Freight gets careful handling on SP, and at low cost. On an average, we move a ton of goods for about 1½ cents a mile. We have more miles of line serving more Western cities and towns than any other rail-road. So, for fast, efficient and de-pendable freight service—whether carloads or l.c.l.—call our nearest agent.

order of the Commission
authorizing applicant to in-
crease its present rates and
charges for natural gas service
in the manner and to the ex-
tent herein set forth.

PACIFIC GAS AND ELECTRIC
COMPANY hereby gives notice
that in the above entitled applica-
tion, filed with the California
Public Utilities Commission on March
18, 1954, it proposes and requests
authorization of the Commission
to increase the charges for gas
service supplied customers (with
few exceptions). The requested
increase is intended to compen-
sate the Company for the in-
creased cost of "out-of-state" nat-
ural gas purchased from El Paso
Natural Gas Company under a re-
vised tariff schedule, made effec-
tive by El Paso pursuant to and
in accordance with the Federal Power
Commission, containing rates high-
er than those in effect at the time
the natural gas rates of the Pacific
Gas and Electric Company were
last established by the California
Public Utilities Commission. The
amount of increased annual gross
revenues sought is \$7,250,000,
based on the year 1954 operations.
The spread of the proposed re-
venue increases, by classes of ser-
vice, is:

Co-chairmen

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello, Neighbors:

Another week has passed in the merry month of March and Lent is now half over. Before very long we will have the children home with us for the Easter vacation so we had better enjoy our peace and quiet while we have it. The weather as usual is just as changeable as weather is supposed to be. Sunday was the first day of Spring and the meadowlarks are beginning to treat us to their cheery calls in the morning.

Illness seems to predominate the news this week. Our favorite grocer is the latest victim of that nasty flu that has at one time or another tried to get all of us down. MR. ROY COMBS of Los Banos avenue has been in bed for the past three days and at the last report is still quite an uncomfortable neighbor. Of course the penicillin shots, while making him better, do not add to his morale at all.

Sympathies of all the neighbors are extended this week to MR. and MRS. JACK COOPER of Winchester street on the passing of their infant daughter. The baby was born last Thursday and left them the same day. Words are so very futile at a time like this but there are many of the folks who know and understand and one and all are sorry to hear the news.

Items of Interest

If you happen to see some of your neighbors going around in a tizzy, just ask them if they belong to Hillcrest Circle UAOD. If the answer is yes you will know that they are in the throes of getting ready for their biggest event of the year—the Official Visit of the Arch Druidess, MRS. GRACE HAGEMAN. The social part of the evening is being taken care of by MESDAMES GRACE HILL, general chairman, ELEANOR CAMERON, MADELINE FELLOWS, ELEANOR WILSON, CLARA POCKET, LOELLA BELLE and LILLIAN FELTCH. This event coincides with the 25th anniversary of the organization and the presiding officer, MRS. ANGIE SERENI, invites all Druids, active or inactive, to come and join them for the evening. The date is April 12th, the time is 8 p.m. and the meeting is scheduled to start right on time.

This is a belated item that somehow just managed to get lost in the shuffle but I really didn't do it on purpose, believe me. MRS. DOROTHY STEWART took a trip down the peninsula one evening a few weeks ago. It takes a lot to lure Dorothy away from home but a shower given by one of her

sisters in San Carlos was all the lure that was needed at that time. One of my neighbors has the main birthday of his life today, March 26th. MR. MITCHELL STEWART of Los Banos avenue celebrates his twenty-first birthday. He is one of the nicest young men one would want for a neighbor and of course his wife, Helen, and nephew, Louie, have plans afoot for the day. Happy birthday, Mitch, from all your friends and neighbors.

How to work and have fun too! The Fire Laddies Regulars of the Santa Barbara firehouse are really living. They have a new fire truck with a 65 foot extension ladder and are they having a time! For a days entertainment all one has to do is watch them practice with this new gadget. All kidding aside, I don't envy anyone who is dangling in midair on a ladder that high. They are really working hard to perfect their technique

and that is all for our benefit. One never knows just when their ability will be needed by one of us.

Off and on for many months the neighbors have been treated to news of the doings of a bunch of gals who call themselves THE GOURMETS. I was promised that the next time they had a doings they would reveal themselves for us. Here they are. They met last Wednesday night at the home of MRS. HAZEL MARSH who played hostess to MESDAMES RITA FAGAN, RENA BEECHER, IDA BEECHER, THELMA BEECHER, HILDA HEAGNEY, LENA BANFIELD, FLORENCE JOHNSTONE and MILLIE LOMBARDI. Well! Now we know. How many of them do you know? MR. JAMES WALTON of Knowles avenue, the popular caddy master at Lake Merced Golf and Country Club has all the best wishes of the neighbors this week.

Jim, who was so very ill a few months ago is now in bed, being another victim of the flu bug. What makes it so bad is that Jim had just started to pick up a bit when the flu hit him and his recovery at last reports is rather slow. Get well soon, Jim, the folks are all pulling for you.

Service men

How fast time goes. First the youngsters who used to come in my back door were little fellows in the first grade, then they were entering high school, and now the news comes that another of them has entered the service. FRANK BRICKER of Peoria street is now a private in the U. S. Marines and taking that well known treatment known as basic training dished out as only the Marines can do it. Frank is a grand boy and will most certainly be an honor and credit to the Marine Corps. Good luck, Frank, come and see me when you get home.

Heard from A 2/c ANDY ANDERSON of the U. S. Air Force stationed at Thule Air Force Base, Greenland. Spring is on its way to Greenland and will be most welcome to all the boys there. Andy sent me some pictures taken in summer clothes. I'd hate to have to wear his winter clothes if he puts anymore on than he wore in the picture. He, as well as many of his buddies, are now on the last lap of their tour of duty and are counting the days until they can come home to the States again. Heard from PFC. ROY "BABE"

HUNTSMAN of the U. S. Marines this week. He is stationed at Camp La Jolla near Los Angeles for temporary rifle duty. When he is finished there he will return to his original station at Cherry Point, South Carolina. Before he leaves here he is hoping that he gets time off for a visit home to see his mother MARY HUNTSMAN and many of his friends who will all be glad to see him.

Home over the last weekend for a visit with family and friends of the old neighborhood was Seaman BILL BEECHER of the U. S. Navy. Bill is still stationed at Moffett Field near Sunnyvale and gets home at every opportunity. One always wonders though if each time will be the last time home as they are changed at a moment's notice and often don't even have time to say good-bye.

From Korea comes word of CPL. JERRY FAGAN who hasn't been heard from for awhile. Jerry is in charge of a gun-track (you tell me) and is a very happy young man. He is due for rotation home next month and then a furlough before being re-assigned to duty until May when he gets his discharge.

Another letter arrived from Korea last week bringing news of CPL. PAUL A. MITCHELL of the U. S. Army. Paul also is due home on rotation in May and is looking forward to seeing many of us again. He writes that Spring in Korea is mostly water, water and more water. He never had it so

wet before. They keep him busy, though, but he's still not too busy to count off the days until he leaves.

News and Views

Another young couple have joined the Mister and Missus ranks. MISS LONA BIGGS became the bride of MR. EUGENE TAYLOR at the City Hall in San Francisco on Thursday of last week, Judge Edward F. O'Day presiding at the ceremony. The bride wore a powder blue lace dress with navy blue accessories for the occasion. The attendants were Miss Shirley La Rosa who acted as bridesmaid and Mr. Ragnar Norgren who was the best man. Shirley is well known in our town, being the daughter of MRS. C. B. MacGREGOR. She is a graduate of Jefferson High school. The groom is a member of the U. S. Navy as a Personnelman 3rd class and his orders read, "In route to Commander Naval Forces, Far East." He is a graduate of Southern Choctaw High school, Silas, Alabama. Congratulations and all best wishes for future happiness are wished this nice young couple from all the neighbors.

Having a birthday on Saturday, March 20th, was MRS. MABEL EVERETT of Winchester street. She was the guest of honor at a dinner in her honor attended by all her children and grandchildren who were more excited than she was. Happy birthday from all of us too.

This is the last reminder that

the place to go Sunday is to OLPH Hall and see the Fashion Show while enjoying a nice lunch. Members of the Mother's Club have really been working overtime to make this event a success this year. Why they should worry is beyond me as it is always an overboard event. MRS. ISABELLE LIBERTI will again do her capable job of mistress of ceremonies and anyone who has watched Isabelle at this job know just how much enjoyment she can give. Many of the mothers whose children attend the school have promised door prizes and they can send them to school with the children. Reservations can still be had by contacting MRS. MERWIN CRESTA at PL. 5-2810 so let's all go to the show!

There are a group of people in our town who have the welfare of our children very much at heart. The Vista Grande Avenue Christian Church is in the process of establishing a Youth Center at the Church. There will be a director who will see to it that the youngsters will find something of interest to them there. Besides games there will be many kinds of crafts and music for all who come. The center is open to all, and one and all are invited to come and get acquainted and find out just what they would like to do in their spare time.

The flu is no respecter of age as little BOBBY MILLER of Los Banos avenue can readily testify. He is well on the road to being his

happy smiling self now and there is one loving grandfather who is sure that Bobby just passed the bug on to him. After all it is grandpa who picks Bobby up and not the other way around so he can't really blame the little fellow, can he?

Well, neighbors, this brings another week's news to an end. Let's hope that the flu having hit just about everybody, it will now depart and leave the neighbors to enjoy their spring cleaning, planting or what have you. It's been fun talking to many of the folks this week and I always have time for another phone call. All you have to do is dial PL. 5-6482 and ask for yours truly. Until next week then, bye now.

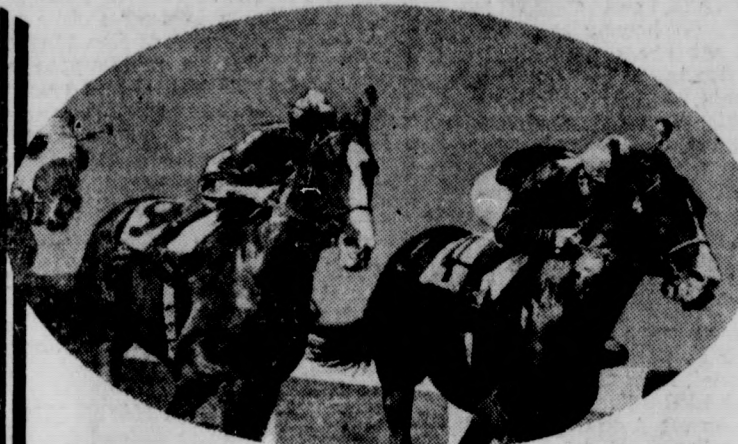

Mrs. John Ryan To Speak At St. Michaels Meeting

Mrs. John J. Ryan, past president, Archdiocesan National Council of Catholic Women, will be the guest speaker when St. Michael's Mothers' Club meets Tuesday, April 6, 1954, at 8 p.m. in the school auditorium.

Mrs. Ryan's topic will be "The Marian Year," a particularly appropriate one for this Lenten season. A mother member, Mrs. A. J. Ballati, will present a short talk on the patron saint of the month, St. Dom Bosco. A large attendance is anticipated since election of officers will be held at this meeting.

A RECORD OF ACCOMPLISHMENT

These pictures depict the results of vision, ability and follow-through of the three incumbent candidates, your TOP TEAM, for City Councilmen of Daly City.

A. J. GAGGERO, PAUL GREEN and JAMES KENNEDY realized the necessity of these tremendous civic improvements and, through their diligent efforts, MADE EVERY ONE OF THEM THE REALITY WE NOW ALL ENJOY. Such accomplishments can only mean FULFILLMENT OF CAMPAIGN PROMISES, not merely idle talk. Voters of Daly City are urged to keep this splendid progress on the march.

Daly City is doing things, establishing an enviable record of civic accomplishment of which any city in the Nation, regardless of size, can be extremely proud. Let's continue the good work by retaining the three incumbent candidates, GAGGERO, GREEN and KENNEDY for City Councilmen on Election Day, Tuesday, April 13th.
